- INDESIGN

Education

2022

Gulbarga University

bechelor of computer application arts in full stack developer GPA 8/10

Karnataka

2018

Bengalore University

Congratulations on completing your PUC! As I mentioned earlier, "PUC" typically refers to a Pre-University Course taken by high school graduates before they enroll in a bachelor's degree program in some countries. If that's the case for you, then you've accomplished an important step towards pursuing higher education. GPA 8/10
